

Theses

In the three issues of Vol. 13, we listed theses published up to mid-1983 (the earliest is dated 1930). From Vol. 14 onwards, we hope to supplement and update this list regularly.

For ease of reference, the list has been subdivided according to subject: firstly by country, secondly by denomination, and thirdly by author's surname in alphabetical order. In Vol. 13, we printed the following sections from the USSR category: Orthodoxy, Old Believers, Catholicism, Protestantism, Judaism, Islam, and Buddhism, followed by sections on: East Germany, Poland, Czechoslovakia, Hungary, Yugoslavia, Bulgaria, Mongolia, North Korea, China, Vietnam, Ethiopia and Cuba. The list concluded with other sections which do not fit into the country/denomination scheme. In Vol. 14, No. 1 we publish additional titles from the following sections of the USSR category: Orthodoxy, the Armenian Church, Catholicism, Protestantism, Judaism, Islam; also the following categories: Poland, Czechoslovakia, Hungary, Yugoslavia, North Korea, China and Vietnam.

Some titles appear in more than one section; these are indicated by an asterisk. All theses are for the PhD degree unless otherwise indicated. In a few cases, a short explanation of the thesis title has been added if its relevance to the section in which it is included is not immediately obvious. The abstract number appended to each entry refers to *Dissertation Abstracts International*; the items refer to the volume, issue and page number of a particular abstract.

This list has been compiled by Dr Mark Elliott of Asbury College, Kentucky, who retains full rights. The author wishes to thank Professor William Toll and Miss Cindy Zanzow of Asbury College for their assistance with computer programming. The author would appreciate readers' corrections and additions.
